

C. H. Booth Library
Board of Trustees Recruitment Statement, November 2020

Libraries across America are at a crossroads. With the very rapid explosion of information technology and during this time where so many are quarantined, the C.H. Booth library has had to greatly expand the level of services for our patrons in ways never before imagined.

The Board of Trustees of the C.H. Booth Library needs members of the public to join our Board. We are particularly keen to recruit members who have one or more of the following skills:

- Experience with construction projects and/or facilities management
- Ability to identify and address needs of all of our community's demographic groups

Board meetings are held on the second Tuesday of the month via Zoom and/or at the C.H. Booth Library on 25 Main Street. Trustees are assigned to committees that meet regularly.

The library board is charged with providing oversight and direction for the library and its guiding principle is to ensure that the library continues to be an important academic, cultural, and social force in Newtown.

To find out more about joining the Board, please contact Library Director Douglas Lord at dlord@chboothlibrary.org or 203-426-1561.
